

# Gyroscope, Safe Forever

Quit analysing everything I say  
Stop policing me  
Oooh ohh ohh ohh  
You have nothing on me  
Blank page funny that  
Oooh oooh ooh oooh  
Do you remember every word I say  
Essentially yes  
Oooh ooh oooh oooh  
Now stare right back at me  
Your blank face figured that  
Oooh oooh oooh oooh  
Did it for you girl  
I Did it for you  
Did it for you  
I Did it for  
Did it for you girl  
I Did it for you  
Did it for you  
I Did it for  
Oooh oooh oooh oooh  
Oooh oooh oooh oooh  
Did it for you girl  
I Did it for you  
Did it for you  
I Did it for  
Did it for you girl  
I Did it for you  
Did it for you  
I Did it for  
Safe forever forever  
stay forever forever  
safe forever forever  
safe forever FOREVER  
safe forever forever  
safe forever forever  
safe forever forever  
SAFE FOREVER FOREVER  
FOREVER  
Did it for you girl  
I Did it for you  
Did it for you  
I Did it for  
Did it for you girl  
I Did it for you  
Did it for you  
I Did it for
