

# H-Blockx, Do What You Wanna Do (Dave Don't L

I - I know it's time to realize,  
I - I know the love you felt for me has died,  
I - try to cope with the pain inside  
But I just realize that I cannot hide the feelings  
that I have inside...

Chorus: Hear me...

I - I know it's hard to  
understand, but girl you  
gotta know, you made me be  
a different man,

I - I don't want you to feel no  
guilt inside/ I just want to  
stay your  
friend but I feel the fear girl  
that I never can.

Chorus: You gotta do what you wanna do,  
still remember what I feel for you,  
you gotta do what you wanna do,  
still remember that I care about you.  
I don't want to see our friendship die,  
I know we need to go our seperate ways but I  
don't know why  
I hope someday we both will see,  
That girl our friendship was created for eternity.
