

H-Blockx, Hi Hello

You know i got it,
You know i care,
In any sens of a matter we look and stare,
If you've got it, just let it be
We don't get ready to find just what you need,
If you don't know me - I just say: Hello
and everybody is just ready to let go,
You hear me callin,
Ready to fall
For just a moment we're ready to give it all.

This is a call out, a call out for you,
I wonder how you're doin at all,
A call out, a call out for you.
I wonder how you're doin so:
Hi, Hello, How're you doin?
Hi, Hello, How're you do you do?
Hi, Hello, know what you're doin,
When you say: What you mean?
See what i see, I know.

Say how many, you say too much.
Say, come get drunken,
Dance before we touch
If i say: Jump, don't even try
let's be ___
Get ready to sympatize
If you don't know me - I just say: Hi
If you
Sand me an e-mail
and everybody is just welcome

This is a call out, a call out for you,
I wonder how you're doin at all,
A call out, a call out for you.
I wonder how you're doin so:
Hi, Hello, How're you doin?
