

# H.e.a.t, 1000 Miles

Yeah!

Sleepin' in the subway, walkin' on the highway

Tell to know 'bout the stars at night

Squirting to an dead-end

Broken hearted woman

In the search for a light

I don't know what it's like

To live on that other side...

I, I can walk a thousand miles to be with you

I'd catch a falling star!

I can walk a thousand miles whenever

No matter where you are

'Cause I know you can make it!

Why you gonna break it, baby?

'Cause I'll walk,

A,

Thousand miles!

Oh yeah!

Strumming on a May-day

This story's getting changin'

Nothing new's wanted you should be, oh

No longing for tomorrow

Just show me ? sorrow

In the search for a dream

I don't know what it's like

To live on the other,

Side...

I, I can walk a thousand miles to be with you

I'd catch a falling star!

I can walk a thousand miles whenever

No matter where you are!

'Cause I know you can make it!

Why you gonna break it, baby?

'Cause I'll walk,

A,

Thousand miles!

YEAH! \*Guitar solo\* (Interlude)

BABY!

You don't know what it's like

To live on the other...

Si-iiiiide...!

-Yeah!

I, I can walk a thousand miles to be with you, yeah!

I'd catch a falling star!

I can walk a thousand miles whenever

No matter where you are

'Cause I know you can make it!

Why you gonna break it, baby?

'Cause I'll walk,

A,

Thousand miles!
