

# H.I.M., Beautiful

Just one look into your eyes  
One look and I'm crying  
'Cause you're so beautiful  
Just one kiss and I'm alive  
One kiss and I'm ready to die  
'Cause you're so beautiful,yeah

Just one touch and I'm on fire  
One touch and I'm crying  
'Cause you're so beautiful  
Just one smile and I'm wild  
One smile and I'm ready to die  
'Cause you're so beautiful

And you're, so beautiful  
My darling  
Oh You're so beautiful ohh..  
You're so beautiful  
Oh my baby  
You're so beautiful  
Oh and you're so beautiful yeah  
Oh my darling oh my baby yeah  
And you're so beautiful  
Ohh...
