

H.I.M., Don't Close Your Heart

I know how it feels to be on your own
In this cruel world where hearts are bound to turn to stone
Where you are alone and tired of breathing
It's all going wrong and you just can't stand the pain anymore
You're too numb to believe in anything

Baby just don't close your heart (3x)
Darling don't let me down

I know how easy it is to let go
Surrender to despair lurking at your door
To lose your soul and all your feelings
Strength all gone
And so many things left unsaid and deeds undone
You've stopped caring
Cause it's all in vain

Baby just don't close your heart (3x)
Darling don't let me down

You're so alone and tired of breathing
It's all gone wrong and you just can't stand the pain

Baby just don't close your heart (3x)
Darling don't let me down
Don't let me down
Don't let me down
Just don't let me down
