H.I.M., Don't Close Your Heart

I know how it feels to be on your own In this cruel world where hearts are bound to turn to stone Where you are alone and tired of breathing It's all going wrong and you just can't stand the pain anymore You're too numb to believe in anything

Baby just don't close your heart (3x) Darling don't let me down

I know how easy it is to let go Surrender to despair lurking at your door To lose your soul and all your feelings Strength all gone And so many things left unsaid and deeds undone You've stopped caring Cause it's all in vain

Baby just don't close your heart (3x) Darling don't let me down

You're so alone and tired of breathing It's all gone wrong and you just can't stand the pain

Baby just don't close your heart (3x) Darling don't let me down Don't let me down Don't let me down Just don't let me down
