

# H.I.M., Please Don't Let It Go

We're drifting apart,  
But I want you to know  
Wherever you are I belong  
Love's singing our song  
But we fail to sing along  
Wherever you go I will follow

So please don't let it  
Please don't let it go  
Cause if you won't let it I won't let it go  
So please don't let it  
Please don't let it go  
Cause if you won't let it I won't let it go

You try to be strong  
But you're always so alone  
Whatever I do I do you wrong  
Death sings our song  
And we eagerly sing along  
Whatever you do I adore

So please don't let it  
Please don't let it go  
Cause if you won't let it I won't let it go  
So please don't let it  
Please don't let it go  
Cause if you won't let it I won't let it go

Don't let go of life  
Let go of love  
Let go of all we have

Don't let go of trust  
Let go of lust  
Let go of all we share

So please don't let it  
Please don't let it go  
Cause if you won't let it I won't let it go  
Please don't let it  
Please don't let it go  
And if you won't let it I won't let it go

So please don't let it  
Please don't let it go  
Cause if you won't let it I won't let it go  
Please don't let it  
Please don't let it go  
Cause if you won't let it I won't let it go
