

# H.I.M., Pretending

Love is a flame that can't be tamed,  
and though you're its willing prey, my darling,  
we are not the ones to blame

Trust is a word all lovers know,  
the glorious art of staining souls, my darling,  
we are not the ones to blame

The more we have, the more we want,  
and the more it hurts our heart, my baby,  
It always ends up in tears...

So keep on Pretending  
our heaven's worth the waiting  
Keep on Pretending  
it's all right  
So keep on Pretending  
it will be the end of our craving  
Keep on Pretending  
it's all right...

When doubts arise the game begins  
the one we will never win, my baby,  
It always ends up in tears

So keep on Pretending  
our heaven's worth the waiting  
Keep on Pretending  
it's all right  
So keep on Pretending  
it will be the end of our craving  
Keep on Pretending  
it's all right... ohh come on

[Guitar Solo]

So keep on Pretending  
our heaven's worth the waiting  
Keep on Pretending  
it's all right  
So keep on Pretending  
it will be the end of our craving  
Keep on Pretending  
it's all right...

Love is a flame that can't be tamed,  
and though you're its willing prey, my darling,  
we are not the ones to blame
