

H.I.M., Rip Out The Wings Of A Butterfly

Heaven ablaze in your eyes
We're standing still in time
The blood on our hands is the wine
We offer as sacrifice

Come on and show them your love
Rip out the wings of a butterfly
For your soul, my love
Rip out the wings of a butterfly
For your soul

This endless mercy mile
We're crawling side by side
With hell freezing over in our eyes
Gods kneel before our crime

Come on and show them your love
Rip out the wings of a butterfly
For your soul, my love
Rip out the wings of a butterfly
For your soul

Come on and show them your love
Rip out the wings of a butterfly
For your soul, my love
Rip out the wings of a butterfly
For your soul
