

H.I.M., Sigillum Diaboli

I can't see your sad face and your pitiful eyes
Don't have the strength to carry your heavy load of life

I'm your Christ and I want you
This world's not for us and you know it as well as I do

I can't see through your eyes, spill your tears on me
I will lift the burden from your shoulders, you just have to believe

I'm your Christ and I want you
This world's not for us and you know it as well as I do

oh as well as I do
oh as well as i do
just as well as i do
oh as well as i do
oh as well as i do

So... I'm your Christ and I want you
This world's not for us and you know it as well as I do

I'm your Christ and I want you
This world's not for us and you know it as well as I do

Oh, so you've come from above
And you say you want it all?
And I cut myself for your love
I'm killing myself, but you want more

I can't see your sad face and your pitiful eyes
Don't have the strength to carry your heavy load of life

I'm your Christ and I want you
This world's not for us and you know it as well as I do

I'm your Christ and I want you
This world's not for us and you know it as well as I do
