

# H.I.M., Under The Rose

I dream of the winter in my heart turning to spring  
While the ice gives way under my feet  
And so I drown with the sun

I've been burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

I open my eyes with a sigh of relief  
As the warmth of summer's sunlight dances around me  
And I see you with dead leaves in your hands

I've been burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

I've been burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

Burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

Your heart under the rose  
Your heart under the rose  
Your heart under the rose
