Chorus:

Heyah Heyah Heyah Heyah Hey,
i'm thinking about you, i'm a loveshy babe
got to got to get together be strong
cuz i know our love will be coming and i won't be loveshy anymore

Verse 1:

Sometimes I run when I wanna stay,
Cause of the life that were living,
You gotta watch what your saying,
And when I see you I wanna hide,
I'm a little afraid of the feeling,
But what you you want your losing
And deep inside is a love,
Caling out your name,
But I'm not the kinda boy,
To pay the price thay you say,
Dont think that i dont wanna get involed with you,
Cause all I wanna do is try to understand baby,

Chorus

Verse 2:

Try to be patient I know its hard,
But what do you want from a writer,
Whos still kinda single,
And when you think of attention straight,
Remember the love is a waiter,
Cause its a life dont confuse it
You know I spend the first saturday nights,
In the telephone where I can get in touch and then say things,
For the emotion takes my mind out all the time,
For now the sun is shining I wont be love shy anymore,

Chorus x2

Ive be watching you watching me,
And I know your on it,
I'm a little love shy boy,
So why dont you put your number on this paper,
Maybe I will call you later,
I need love I need trust,
Anything you got for its all good,
I like it like this I like it like that,
I know your shy boy,
I know you like this,
Give me your number come on over be my souljah boy,
Ill give you my number,
I will show you how you shout it boy.
