

H2O, Memory Lane

Am i wasting all my time
Chasing innocence to find
A time of my life when i should have known better
Have i wasted all these years
Hiding back the tears behind a smiling face
AM I LYING
Cause i wanna do whats right
But i need to understand
do i burn a bridge and call it a life lesson
As these thoughts come floating in
Where the memorys raised to high a price to pay
Gonna take a trip down memory lane
For the millionth time today
Im still waiting
Gonna take a trip down memory lane
And i dont have much to say
As i fumble through my lines
Tripping wires in my mind
Theres a script that falied the breach and im ready
As these thoughts come floating in
Where the memorys raised to high a price to pay
Gonna take a trip down memory lane
For the millionth time today
Im still waiting
Gonna take a trip down memory lane
And i dont have much to say
Looking forward for tomorrow
Staring down on yesterday
Cant you see that im driving blindly
Cant you see that im
CANT YOU SEE IM DRIVING BLINDLY
Am i wasting all my time
Chasing innocence to find
A time of my life when i should have known better
Have i wasted all these years
Hiding back the tears behind a smiling face
Gonna take a trip down memory lane
For the millionth time today
Im still waiting
Gonna take a trip down memory lane
And i dont have much to say
