Haddaway, Baby Don't Go

Another night I closing in And I remember All our feelings within I did you wrong And hurt you so I hurt you so (Baby don't go) Baby don't leave me Please don't leave me this way (Baby don't go) Please don't leave me this way

I've fallen down from high above And now I'm drowning In the sea of love I want you back Here by my side Can you forgive me Everytime when the night comes I'm waiting everytime when the night comes I'm waiting for you
