

# Hades, Again Shall Be

The tragedy of Hamlet  
(Inspired by the play by William Shakespeare)

ACT I

Once past twelve sounds a bell  
'Tis bitter cold at Elsinore  
Three Danes await and watch the night  
For the late king Hamlet's spectral sight  
It comes again in warlike form  
This spirit of health beckons his son  
Father, king, royal Dane?  
Tell me the reason why you came  
I am the spirit of the king  
I walk the night and burn by day
