

# Haemorrhage, Deformed (Grave)

Wired by the smell of death  
As your end is drawing near

He make yo cry he make you bleed  
But you feel no f\*\*king fear God won't wake you from your sleep  
Banished from life  
the stinking air  
Drastic suffering,  
you are deformed  
DEFORMED  
Your screams fill the stinking air  
Painful death is waiting you  
God won't wake you from your sleep  
Banished from life  
the stinking air  
Drastic suffering,  
you are deformed  
Revolting face  
putrid remains  
One eye left,  
bloody hands  
Banished from life  
the stinking air  
Drastic suffering,  
you are deformed...
