

Hailee Steinfeld & Grey, STARVING (feat. ZEDD)

You know just what to say
Shit that scares me
I should just walk away
But I can't move me feet
The more that I know you
The more I want to
Something inside me has changed
I was so much younger yesterday

I didn't know that I was starving until I tested U
Don't need no butterflies when you give me the whole damn zoo
By the way, by the way
You do things to my body
I didn't know that I was starving until I tested U
Right away, right away,
You do things to my body
I didn't know that I was starving until I tested U

You know just how to make my heart beat faster
Emotional earthquake
Bring on disaster
You hit me head on
Got me weak in my knees
Something inside me has changed
I was so much younger yesterday
I was so much younger yesterday
