

# Hailee Steinfeld, You're Such A

You keep calling, you keep calling  
Saying that you want it back  
All my loving, all my loving  
But you can't, you can't  
You keep trying, you keep trying  
With that sweet talk on your tongue  
But I'm not buying, I'm not buying  
I can't, I can't

Cause you had your chance and you blew it  
Yeah, you ripped it out and you chewed it  
And the more you talk, you prove it  
Yeah, you prove it

Damn, you're such a  
Did you think that I would let you  
Crawl right back into my bedroom  
After everything we've been through  
I know the truth  
That, damn, you're such a  
Difficult little devil  
Trying to put it back together  
Cause you see I'm doing better  
Without you now

Damn, you're such a  
Dadadadada dadadadada  
Damn, you're such a  
Dadadadada  
I know the truth  
Damn, you're such a

See you smoking, see you smoking  
Those electric cigarettes  
Are you joking? Are you joking?  
I can't, I can't

Cause you had your chance and you blew it  
Yeah, you ripped it out and you chewed it  
And the more you talk, you prove it  
Yeah, you prove it

Damn, you're such a  
Did you think that I would let you  
Crawl right back into my bedroom  
After everything we've been through  
I know the truth  
That, damn, you're such a  
Difficult little devil  
Trying to put it back together  
Cause you see I'm doing better

You can take your lies to your next girlfriend  
Cause I don't want to hear it anymore  
And if you're all that's left when the whole world ends  
No I still don't want to hear it anymore  
(Dadadadada) mmm  
Damn, you're such a
