LINK & GIRLS:

Blood on the pavement
what a mess

AMBER:

Is that your eyeball
On my dress

AMBER & LINK:

Don't drink and drive
Please keep your head
Or come graduation day
You'll be dead

LINK:

Hands on the wheel
Though I know its a drag
I'd hate to see your body
In a body bag

VELMA:

Kids listen Up
Cause I'm a mom

AMBER & LINK & VELMA:

Yes, blood on the pavement
will ruin your prom!
