LINK & GIRLS:  
Blood on the pavement  
what a mess

AMBER:  
Is that your eyeball  
On my dress

AMBER & LINK:  
Don't drink and drive  
Please keep your head  
Or come graduation day  
You'll be dead

LINK:  
Hands on the wheel  
Though I know its a drag  
I'd hate to see your body  
In a body bag

VELMA:  
Kids listen Up  
Cause I'm a mom

AMBER & LINK & VELMA:  
Yes, blood on the pavement  
will ruin your prom!
