

Hal Ketchum, Hang In There Superman

Heard you was in trouble
And hurtin awful bad
Facing the biggest challenges that
You ever had
For peace & truth & justice we've
Struggled every day
Speeding to our rescue
Faster than a train

You know you were my hero
When I was just a kid
I used to dream of doing every
Single thing you did
Jumping off of buildings
Flying like a bird
While potentates & presidents are
Hung on every word
I speak for everybody when I say

Hang in there
superman
You always came out
Fighting at the Bell
Hang in there
Superman
One Billion grown-up
Children wish you well, well, Woo

Metropolis is calling
London needs your help
Paris France and Budapest can't
Do It for themselves
Forgive the imposition
Now I know you got it rough
This old world still needs you boy
So hang on in there tough
I speak for everybody when I say
Hang in there
superman
You always came out
Fighting at the Bell
Hang in there
Superman
One Billion grown-up
Children wish you well, well

Hang in there
superman
You always came out
Fighting at the Bell
Hang in there
Superman
One Billion grown-up
Children wish you well, well
