

# Hal Ketchum, The King Of Love

Got a heart as big as all I know  
Got a bag of candy for the girl next door  
She's all grown up and I'm telling you, son  
I'm gonna marry her the ditch times 21

I'm a winner  
I'm a saint  
A little crazy  
A little wink  
I got a date with destiny  
The king of love, that's me  
The king of love, that's me

Hey

Friends all say she's out of her mind  
If she'd oughta stay close to her own kind  
They all tell her to expect the worst  
Probably just wishin' that they let me first

Cause I'm a winner  
I'm a saint  
A little crazy  
A little wink  
I got a date with destiny  
The king of love, that's me  
The king of love, that's me

Hey, hey

Someday some you're gonna see me smile  
When I see the little girl walking down the aisle  
I'll keep waiting cause someday soon  
Be a preacher at a party in a honeymoon

Cause I'm a winner  
I'm a saint  
A little crazy  
A little wink  
I got a date with destiny  
The king of love, that's me  
The king of love, that's me

I'm the king of love  
I'm the king of love  
I'm the king of love  
I'm the king of love  
I'm the king of love  
I'm the king of love  
I'm the king of love  
I'm the king of love  
I'm the king of love  
I'm the king of love  
Yeah

Got a bag of candy for the girl next door
