

Hale, Sundown

Slow down
How the hours and days go by
Stay close
Let me take you away
Wasted smiles
Sun's lost but can be found
What can I do?
What can I say?
But freeze the hands of

Time races by in the blink of an eye
How I wish I can make you slow down
Time races by in the blink of an eye
And feel what I feel deep down

What I feel deep down

Chill down
Let the moment show us the way
Closer
It's better each day
The glow of your smile
So bright and yet so cool
That's what I'll do
That's all I'll say
I'll freeze the hands of

That's what I feel
That's what I feel
That's what I feel
