

Half Japanese, Monkey Hand

Pick it up and put it down.
Leave it where you found it.
It's no good, leave it be.
It's no good at all.

Someone left a monkey's hand.
Don't ask how or why.
If you see it leave it be.
Leave it be or die.
Some say it's just bad luck.
Others say it's worse.
If you see it, leave it be.
You don't need the curse.
