

Halford Rob, Heretic

The way you look at me
Feel all your hatred building
I won't be what you see
A nation built for killing
The color of the skin
Dividing church's saviors
The wars that you begin
Reflect in your behavior
We live and die
From all this isolating
We live and die
When we stop procreating
Genetic blasphemy
Resisting devastation
Corrupting heresy
To save the population
We live and die
From all this isolating
We live and die
When we stop procreating
We live and die
To generate existence
We live and die
A life line of persistence
We live and die
And all we feel is sadness
We give and try
Mankind embraces madness
We live and die
And all we feel is sadness
We give and try
Mankind embraces madness
