

# Hall & Oates, Big Kids

Lyrics: Daryl Hall, John Oates

Music: Daryl Hall

Got a good education now  
And I'm ready for the world (yeah)  
We've been going together  
It's gonna last forever, it ain't never gonna change  
I'm a real hard charger (yeah)  
Everybody's gonna listen to me  
We're a winning combination, that nobody's gonna rearrange

Big Kids breakin' up 'cause they're lookin' for fun  
Everybody's leavin', boy-girl on the run  
My situation's static, there's no reason to fear  
It's too calm around me and it can't happen here

Big Kids - think they know it all  
Big Kids - think they've got the world up against the wall  
All the grown-ups show me that they're only Big Kids in disguise  
Who do you think your leaders are? Big Kids  
Who do you think your heros are? Big Kids  
I may never reach maturity but, baby, I'm gonna try
