

Hall & Oates, Downtown Life

Music by Daryl Hall, John Oates, Rick Iontosca
Lyrics by Daryl Hall, John Oates, Sara Allen

Do it downtown in from the outside
Yeah, find the scene & work it brother
Moving thru sound
City's like wild life
Overgrown & living undercover
Wound up so tight

We love the Downtown Life
Driftin' thru the day
Waiting for the nite, oh
Downtown Life. it feels so right
It keeps me hangin' on

Velvet Lou was a neighbor of mine
Now he walks the dog in Jersey, Brother
Yuppies in black doin' white collar crime
Scared away the. local color
But they can't steal the nite

We love the Downtown Life
Driftin' thru the day
Waiting for the nite, oh
Downtown Life it feels so right
It keeps me hangin' on

Downtown Life
Drifting thru the nite
Waiting for the lite to come
Downtown Life it feels so right
It keeps me hangin' on

My baby knows she's got to go for this kind of life
'Cause city love can't stand. to see the sunlite
Dawn patrol better leave me alone
'Cause I can only take it for so long
Going down isn't hard to do
The King of Clubs and Queen of Hearts fall too
She says, "If you believe this is only a lonely time,
stay at home boys the blues are lost on you"
Ain't it true

We love the Downtown Life
Drifting thru the day
Waiting for the nite, oh
Downtown Life it feels so right
It keeps me hangin' on

Downtown Life
Drifting thru the nite
Waiting for the night to come
Downtown Life it feels so right
It keeps me hangin' on
