

Hall & Oates, Love TKO

Looking back over my years I guess I shedded some tears

I told myself time and time again

This time I'm gonna win

But in every fight things ain't right, I'am losing again

Take a fool to lose twice and start all over again

I think I'd better let it go

It looks like another love TKO

I think I'd better let it go

Looks like another love TKO

Tried to take control of love, love took control of me

Because you lose all thought, sense of time and have a change of mind

Takin' the bumps and the burises of all the things of a two-time loser

Try to hold on, faith is gone, it's just another sad song

I think it's time to let it go

Feels like another love TKO

I think it's time to let it go

Feels like another love TKO

I think I'd better let it go TKO

I think I'd better let it go TKO
