

# Hall & Oates, Mano a Mano

Lyrics & Music: John Oates

See a lot of people walking around and around  
terra firma turned them upside down  
too scared to reach out maybe afraid of what they'll find  
but a hand stuck in a pocket come up empty every time  
Now you better believe the writing on the wall  
all for one one for all  
woman to woman and man to man  
face to face heart to heart hand to hand  
Mano a Mano  
Hand to Hand  
Mano a Mann  
See a lot of people fighting for the left or the right  
fighting people see black or white  
you'd like to go your way sure I'd like to go mine  
but we're all in this together running out of time  
Woman to woman and man to man  
heart to heart and hand to hand  
set on example for all the little boys and girls  
for the hand that rocks the cradle can rule the world  
Mano a Mano  
Hand to Hand  
Mano a Mano  
No No more fighting my friends, everybody hand to hand  
It's time to stop making the same mistakes over and over and over again  
Mano a Mano  
Hand to Hand  
Mano a Mano
