

Hall & Oates, Your Imagination

Lyrics & Music: Daryl Hall

I remember when I used to be the jealous kind
I got over it, now you're taking over my old line

You're caring too much about what I say
You're wondering too much about what I do
And baby, Your Imagination
Imagination's got the best of you

I ain't doin' nothing that you could really say was wrong
Just one oversight and no that didn't last too long

Listen, you're caring too much about what I say
You're wondering too much about what I do
And baby, Your Imagination
Imagination's got the best of you

Don't know what you're looking for
What's this thing about "true blue";
You know I ain't no danger boy
You're the one I like to touch, touch you, you
When the mood is right, change the light and the moment's gone
Better turn around, 'cause the light doesn't last too long

You're caring too much about what I say
You're wondering too much about what I do
And baby, Your Imagination
Imagination's got the best of you
Imagination, Your Imagination
Imagination, Use Your Imagination.
