

Halo, Lunatic Ride

I am a lunatic ride
I am deluded inside

I like to live in the walls
(I like to live in the walls)
Where I am nothing at all
But please don't cry

Translucent eyes and skin
Lets only angels in

I have a secret to tell
(I have a secret to tell)
I am an angel as well
So please don't cry
Please don't cry

I am a lunatic ride
