

Halo, Perfectly Still

I can't breathe when you leave,
Come back before I suffocate.
I can't sleep when your heart beat
Rings through my veins,
I feel it.

Maybe if I can stay perfectly still,
Could I hear you breathe?
Why then should all this just make me feel ill?
Do you feel for me?

I don't want to be alone,
Without you I'm lost and broken.
I want you,
I want you,
I will not change for anyone.

Maybe if I can stay perfectly still,
Could I hear you breathe?
Why then should all this just make me feel ill?
Do you feel for me?

I don't want to be alone,
Without you I'm lost and broken.
