

Halsey, Wipe Your Tears

[Chorus]

You know I tell her all the time
Nothing's gonna hurt you, baby
Nothing's gonna make you cry
I'll be damned if I ever let another hand
Wipe your tears before they dry
Nothing's gonna hurt you, baby
Nothing's gonna make you cry
I'll be damned if I ever let another hand
Wipe your tears before they dry

[Verse 1]

Keep my friends close, but this pretty girl closer
Kiss her on the neck, little baby is a poser
Thinks she's so cold, but the world is colder
Take her in my lap and I'll promise that I'll hold her

[Pre-Chorus]

My bed is too big for only me
I keep a pistol when I sleep
Inside my mouth so I can shoot
Down all the bad things

[Chorus]

You know I tell her all the time
Nothing's gonna hurt you, baby
Nothing's gonna make you cry
I'll be damned if I ever let another hand
Wipe your tears before they dry
You know I tell her all the time
Nothing's gonna hurt you, baby
Nothing's gonna make you cry
I'll be damned if I ever let another hand
Wipe your tears before they dry

[Verse 2]

Hurts so bad but it's digging in my shoulder
Make me so mad, but I'm keeping my composure
Got your naked pictures and I keep them in a folder
Know if I delete 'em I'll regret it when I'm older

[Pre-Chorus]

My bed is too big for only me
I keep a pistol when I sleep
Inside my mouth so I can shoot
Down all the bad things

[Chorus]

You know I tell her all the time
Nothing's gonna hurt you, baby
Nothing's gonna make you cry
I'll be damned if I ever let another hand
Wipe your tears before they dry
(You know I tell her all the time)
Nothing's gonna hurt you, baby
Nothing's gonna make you cry
I'll be damned if I ever let another hand
Wipe your tears before they dry

[Outro]

My bed is too big
My bed is too big for only
