

Hamilton, Joe Frank, And Reynolds, Fallin' In Love

CHORUS:

Baby, baby, fallin' in love
I'm fallin' in love again
Baby, baby, fallin' in love
I'm fallin' in love again

I could never see what fate had meant for me,
And then, you came and made my dreams match reality
Maybe you can see all the things you've been to me
But my simple fate is at the gate, and, girl, you've got the key

CHORUS

It seems like yesterday you and I first loved this way
But now, I know how love can grow with each and every day
As we lay at midnight's hour and feel love's hidden power
So strong and bold as life unfolds its mystery to me

CHORUS

You and me for eternity, in love, we'll always be
Young and free and that should be the way it's gotta be

CHORUS

(repeat and fade out)
