

# Hammerfall, At The End Of The Rainbow

As long as I remember  
We've marched across this land  
oh, oh...

Reached for a new horizon  
Pulled by the killing hand  
oh, oh...

All fed up with lies  
The time has come  
To break these chains and fly

Here we stand, bound forever more  
Than out of this world, until the end  
Here we are, mighty, glorious  
At the end of the rainbow  
With gold in our hands

We know the treasures lies  
Beyond the pouring rain  
oh, oh...

Our quest will last forever  
For you it's all the same  
oh, oh...

No one can deny  
Our future's set  
To reach above the sky

Here we stand, bound forever more  
Than out of this world, until the end  
Here we are, mighty, glorious  
At the end of the rainbow  
With gold in our hands

Let's fly away through the rain  
Fly high, to ease the burning pain  
Oh, the colours fading out  
The light is shining in the night  
It's up to you, it's worth the fight  
Search before the colours fade

Here we stand, bound forever more  
Than out of this world, until the end  
Here we are, mighty, glorious  
At the end of the rainbow  
With gold in our hands
