

# Hammerfall, Dominion

In solitudes society  
The evil breeds, autocracy  
(Dominion)  
The fall of man, no son of God  
Can tame the flames, welcome to Hell

Oh Lucifer, almighty one  
The overlord of Babylon  
(Dominion)  
Apostles' creed, the demon seed  
The mammon rules the misery

At the final battle  
On the first day of war  
Where angels die, and legends rise  
Only one man survives

Serve in heaven or reign in hell  
Find your Paradise Lost  
Rise, awake or forever be  
Fallen in the abyss

The purge of God, banished to Hell  
Angelic hordes and a warrior  
(Dominion)  
The chosen one, will brave the storm  
Awake, arise and claim the throne

At the final battle  
On the third day of war  
A warrior shaped demon lord  
Came to conquer them all

Serve in heaven or reign in hell  
Find your Paradise Lost  
Rise, awake or forever be  
Fallen in the abyss

Serve in heaven or reign in hell  
Find your Paradise Lost  
Rise, awake or forever be  
Fallen welcome to Hell

Serve in heaven or reign in hell  
Find your Paradise Lost  
Rise, awake or forever be  
Fallen in the abyss
