

# Hammerfall, Keep The Flame Burning

Standing at the  
crossroads, where the future meets the past  
Oh cant you feel, theres magic in the air  
Were noble knights and mighty men, with the  
power to assay  
Faithful and true, let our deeds show you the way

Glorious, we live and we die  
Our courage will unite

In our hands we hold the future, carry on  
In our hearts, eternally, we Keep The Flame  
Burning

Hear the sound of roaring thunder, and the  
sound of raging steel  
In the battle of thrust our sprits will reveal

Glorious, wed rather die  
with honour than to live with shame

In our hands we hold the future, carry on  
In our hearts, eternally, we keep the flame...  
burning deep inside forever, shining on  
And in our hearts for all eternity we Keep The  
Flame Burning

We stay as we are, now the first crusade is won  
Let it be written, let it be done

In our hands we hold the future, carry on  
In our hearts, eternally, we keep the flame...  
burning deep inside forever, shining on  
And in our hearts for all eternity we Keep The  
Flame Burning
