

# Hampenberg, Glorious (feat. Jesper Nohrstedt)

Shining star, you're moving too fast  
Out of the dark, close to the end  
Burn far too bright, out goes the light  
Back in the dark, too broken to mend

I'm taking us too hard won't sleep tonight  
I put up a fight, put up a fight  
You say that we almost had it all  
But I will never break your heart

We are glorious, together we glow in the dark  
I am speechless,  
Oh, oho  
We are glorious, together our love's gonna spark  
I am speechless,  
Oh, oho
