

Hamtaro, Hamtaro Theme Song 2

ham-ham friends lets start the show
join the team c'mon lets go
little hamsters, big adventures
Hamtaro

he leaves his cage when Laura's away
the ham-ham friends all wanna play
if someone needs are help today
Hamtaro

H-a-m-t-a-r-o
he's the star of (star) every show
H-a-m-t-a-r-o

what's the word? someones in trouble
to the clubhouse on the double
we'll make a plan and lend a hand
Hamtaro

it's ticky-ticky, badda-badda
time to run
we coosh-coosh, jiggy
gotta get the job done
nip-nip, crum-crum
all we need
are chicky-chicky, coosh
some flower seeds

H-a-m-t-a-r-o
we'll work together this I know
H-a-m-t-a-r-o

everybodies favorite friend
his little paws he'll always lend
we'll be together 'till the end
Hamtaro
