

# Handsome Devil, Bring It On

Hey, Hey, Hey, Hey, Hey, Hey  
You've got a problem, You've got a problem with me  
I don't want to hear about you slagging me  
After all I gave you everything  
Everything ain't good enough

## CHORUS

Try as you might  
You can run but you can't hide  
So you want a piece of me - Bring it on  
Time is money, talk is cheap - Bring it on  
So if you're saying what you mean - Bring it on  
Bring it on, Bring it on, Bring it on, Bring it on (bring it)

Hey, Hey, Hey, Hey, Hey, Hey  
Stay out of my way, Stay out of my life  
Because you ain't no stand up guy  
I know what you need - a dose of Reality  
Yeah that sounds good to me right

## CHORUS
