Hank Locklin, Heart Full Of Love

I traded a heart full of love for a handful of kisses that you were just throwing away I traded a lifetime of dream for a few carefree moments

That you felt like wasting that day

If I had known you didn't care I wouldn't be so blue

Cause I'd have left my heart at home and played the game like you

I'm hoping that you had your fun

Cause that handful of kisses has broken my fool heart in two

[steel]

I gave you a love that was true for a heart that was fickle

I wish that I had known at the time

You had me fooled for a while cause I thought that you meant it

When you said that you would be mine

But now that we have said goodbye I see the light of day

I had a moment of happiness but what a price to pay

I traded a heart full of love for a handful of kisses that you were just throwing away
