

Hank Locklin, I Need You Now

If I ever needed you I need you now I can't remember when I've ever been so blue

If I ever needed love I need it now I feel so all alone I don't know what to do

No day or night goes by when I don't have my cry

I feel like I could die from wanting you

I can't ease my aching heart honey you know how if I ever needed you I need you now

[piano]

No day or night goes by...
