

# Hank Locklin, Once More

Once more to be with you dear just for tonight to hold you tight  
Once more I'd give a fortune if I could see you once more

Forget the past this hurt can't last so I don't want it to keep us apart  
Your love I crave I'll be your slave if you'll just give me all of your heart  
Once more to be with you...

Once more to be with you...
