

Hank Locklin, She Thinks I Still Care

She thinks I still care

Just because I asked a friend about her just because I spoke her name somewhere

Just because I rang her number by mistake today she thinks I still care

Just because I haunt the same old places

Where the mem'ry of her lingers everywhere

Just because I'm not the happy guy I used to be she thinks I still care

But if she's happy thinking I still need her then let that silly notion bring her cheer

But how could she ever be so foolish where would she get such an idea

Just because I asked a friend about her just because I spoke her name somewhere

Just because I saw her then went all to pieces she thinks I still care

She thinks I still care
