

Hank Snow, Don't Sing Aloha When I Go

Don't sing Aloha when I go because I'm coming back you know
Don't sing Aloha though I cry our parting just not means goodbye
I'll dream of you in Waikiki that's where I always long to be
Just smile and say you'll miss me so don't sing Aloha when I go
[steel]
Don't sing Aloha when I go...
Don't sing Aloha when I go don't sing Aloha when I go
