

# Hank Snow, Farther Along

Written by W.B. Stevens and J.R. Baxter  
Recorded by Hank Snow

Tempted and tried we're oft made to wonder why could it be thus all the day long  
When there are others living about us never molested though in the wrong  
Farther along we'll know all about it farther along we'll understand why  
Cheer up my brother live in the sunshine we'll understand it all by and by

When death has come and taken our loved ones it leaving our home so lonely and drear  
Then do we wonder why others prosper living so wicked year after year  
Farther along we'll know all about it...
