

Hank Snow, For Now And Always

For now and always
I'll hold you tight, day and night
Keep the love light burnin' bright in my heart for you
Pretty little sweetheart
I'll love you for now and always
I'll break a date to roller skate
To set up late just to wait at the gate for you

Pretty little sweetheart
I'll love you for now and always
Can't you see you'll always be the one for me
'Cause I'll always be in love with you
Pretty little sweetheart
I'll love you for now and always
I'll do the chores, I'll sweep the floors
I'll run the stores, 'cause I'll always adore you

(CHORUS)
Love is like a roller coaster
Riding up and down
Gonna make a great big coaster
Spread the news around

Pretty little sweetheart
I'll love you for now and always
I can't deny my heart will fly
Up to the sky when I sing a lullaby to you
Pretty little sweetheart
I'll love you for now and always
I'll do my work like a Turk
I'll never shirk, I'll be a butcher boy or clerk for you

(BRIDGE)
Not for a day, not for a year
Not for a century, but forever dear

For now and always
Just for your sake the time I'll take
A pretty bungalow I'll even learn to make for you
Pretty little sweetheart
I'll love you for now and always
Then there'll be three, you and me
And someone sweet as she can be who looks just like you

Pretty little sweetheart, pretty little sweetheart
Pretty little sweetheart, I love you
