

# Hank Snow, Honey

See the tree how big it's grown but friends it hasn't been too long  
It wasn't big  
I laughed at her and she got mad the first day that she planted it  
Was just a twig  
Then the first snow came and she ran out to brush the snow away  
So it wouldn't die  
Came running in all excited slipped and almost hurt herself  
And I laughed till I cried  
She was always young at heart kinda dumb and kinda smart  
And I loved her so  
I surprised her with a puppy kept me up all Christmas Eve  
Two years ago  
And it would sure embarrass her when I came home from working late  
Cause I would know  
That she'd been sitting there and crying  
Over some sad and silly late late show  
And honey I miss you and I'm being good  
And I'd love to be with you if only I could

She wrecked the car and she was sad so afraid that I'd be mad  
But what the heck  
Though I pretended hard to be guess you could say she saw through me  
And hugged my neck  
I came home unexpectedly and found her crying needlessly  
In the middle of the day  
And it was in the early spring when flowers bloom and robins sing  
She went away  
And honey I miss you and I'm being good  
And I'd love to be with you if only I could

Yes one day while I wasn't home while she was there and all alone  
The angels came  
Now all I have is memories of honey and I wake up nights  
And call her name  
Now my life's an empty stage where honey lived and honey played  
And love grew up  
A small cloud passes overhead and cries down on the flower bed  
Where honey loved  
And honey I miss you and I'm being good  
And I'd love to be with you if only I could
