

Hank Snow, I Almost Lost My Mind

When I lost my baby I almost lost my mind
When I lost my baby I almost lost my mind
My head is in a spin since she left me behind
(It's killin' me)
I pass a million people I can't tell who I meet
I pass a million people don't know who I meet
Cause my eyes are full of tears where can my baby be
(Pick it son)
[guitar]
I went to see the Gypsy and I had my fortune read
I went to see the Gypsy had my fortune read
Then I hung my head in sorrow when she said what she said
(What she said honey)
Now I can tell you people the news was not so good
Now I can tell you people the news was not so good
She said your baby's done and quit you this time she's gone for good
